Pop Portraits Of Anyone Who Is Or Was

Paint-By-Number Parties

Remember those paint-by-number kits you did when you were a kid? Well, imagine one four-and-a-half feet square. That's pretty big. But instead of flowers or a lighthouse or a horse or landscape, the subject is a pop icon or historical figure. John Lennon. Frank Sinatra. Marilyn Monroe. Einstein. Or you.

Who Do You Want To Paint?

Choose a subject from our on-line galleries at www.frameyourface.com. And if you don't see a face you're looking for, let us know. We can create a paint-by-number portrait of anyone you want. That means we can do one of you, your mother, father, wife, son or daughter, your boss...anybody. You know the so-called "Man Who Has Everything"? He doesn't have one of these. That's what makes a Frame Your Face paint-by-number the most unique gift you could ever give.

How Does It Work?

We come to your house or wherever the party is, with paints, brushes, smocks, everything. You just supply the guests. The portrait is a stretched artist's canvas measuring anywhere from 40" x 40" to 54" x 54". The subject is outlined in light blue lines with little blue numbers designating what color paint to use...just like those kits you remember. Then the canvas is divided into a grid of squares; five rows of five, six rows of six or seven by seven, depending on how many guests there are and how long the party's scheduled for. In general, it takes about four hours to complete a painting. The acrylic paints dry in about an hour.

What Do You Get?

Not only do you get the completed painting, you also receive a 24" x 24" framed print of the subject, signed by the artist. And, because a Frame Your Face photographer is part of our crew, you'll also get a CD with as many as 100 photos from the party.

Perfect For Any Party

Birthdays, Bar-Mitzvahs, anniversaries, graduations...you name it, a Frame Your Face paint-by-number will have your guests talking long after the party's over.
